TAALTHUIS INCOMPANY DUTCH COURSES

INTERACTIVE COURSES

A Taalhuis course is a fun, interactive course, emphasizing speaking skills and confidence, to promote active use of the language. We use a variety of techniques, games and exercises to learn by doing in a fun way.

FUN LESSON MATERIALS

Taalhuis develops its own textbooks and grammar book for all courses up to A2 level, which include an e-learning platform, with extensive possibilities to repeat and practice. For higher levels, we use the Coutinho/Boom method "Nederlands in Actie".

PROFESSIONAL SERVICE

Taalhuis strives to offer a friendly, open, and professional experience for you as a client, as well as for the students in class. You can expect quick replies and answers to your questions, all with a personal touch.

LEVEL CONSULTATIONS

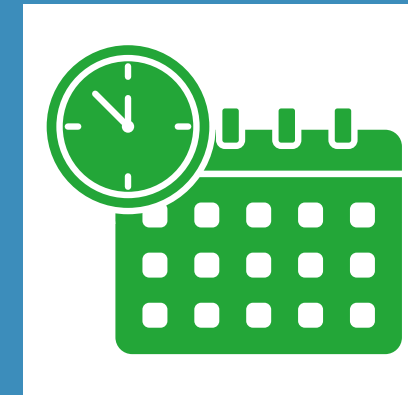

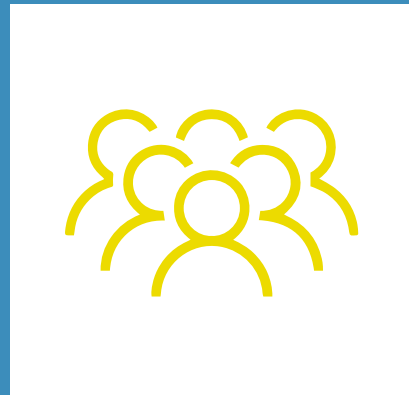

Taalthuis offers level consultation sessions every Tuesday and Thursday from 1:00 PM to 5:00 PM. If you need a different time slot, please get in touch with us.

We require a level check for participants who have achieved A1 level or higher through a Dutch course taken elsewhere. If a participant has not yet completed a Dutch course, or if they have completed a course at Taalthuis, a level check is not necessary.

To conduct level checks, Taalthuis needs a document containing names and phone numbers.

Level checks are free if you decide to purchase an in-company course. However, if no purchase is made after the level check, we will issue an invoice for €35 for each level check conducted.
